

CHARGE UP YOUR SCHOOL WITH THE WORKPLACE CHARGING SCHEME FOR STATE-FUNDED SCHOOLS

**Work with Guardian
for peace of mind
and compliance.**

Ensure your schools site capacity meets legal requirements to avoid system overload and damage with a feasibility study by Guardian Electrical Compliance.

BENEFITS OF A FEASIBILITY STUDY

- Reliable service for staff, parents and visitors
- Knowledge of your spare capacity
- Accurate measurement of power consumption
- Cost saving recommendations
- Easy access to measurement data and much more

BENEFITS OF EV CHARGING POINTS

- Positive environmental impact
- Educational opportunity
- Embracing sustainable practices
- Community engagement

GUARDIAN A BRAND YOU CAN TRUST

"Your workforce is extremely professional, how they behave work and integrate with the staff. Your team were not flustered or concerned which shows your company's integrity".

Dawn Francis-Jones

Director of Estates, South and City College Birmingham

THE GRANT PROGRAM

State-funded schools and education institutions can take advantage of the Government's grant program to install EV charging sockets on their premises.

HERE'S WHAT YOU NEED TO KNOW:

Cost: EV charging installations typically range from £1,500 to £2,500, depending on the area and installation type.

Grant Coverage: You can receive **75% off** the cost to buy and install chargepoints, up to a maximum of:

- £2,500 per socket.
- A total of 40 sockets across all school sites (including any previous applications via the Workplace Charging Scheme).

HOW TO APPLY

Eligibility: Confirm that your school meets all criteria outlined in the application form. For more information and to access the application form, visit the official Government page by scanning the QR code.

Read the Rules: Make sure you understand the eligibility requirements.

Complete the Application Form: Fill in all sections. Incomplete forms may result in an unsuccessful application.

Unique Voucher Code: Successful applicants will receive a voucher code via email. This code ensures grant approval.

Multiple Claims: You can make multiple claims up to your allocation of 40 sockets.

ACT NOW!

Enhance your school's community by promoting sustainable practices and EV adoption. Apply for the grant today and speak to us about how we can ensure you have a safe and reliable network of charge points.

Scan the QR code or contact our EVSE Team at evse@guardianelectrical.co.uk or on 0114 257 2080 for more information
